What behaviours are not bullying?

Even though the following behaviours can be upsetting to those involved, they do not constitute bullying:

- mutual arguments and disagreements (where there is no power imbalance);
- not liking someone or a single acts of social rejection;
- one-off acts of meanness or spite;
- isolated incidents of aggression, intimidation or violence.

While these behaviours would not be considered bullying (because they do not involve deliberate and repeated harm and a power imbalance) at Lake Clarendon they are addressed in the same way as other inappropriate student behaviours.

Solving Circles

Solving Circles are an opportunity for parents to meet with me to discuss both positive and negative aspects of schooling at Lake Clarendon. I aim to meet with a group of parents every Tuesday afternoon from 2:30pm in the staffroom. Some thoughts from last week:

Parade is fabulous. Great idea to celebrate the week. Parents like to hear from their students that they are performing. Not always possible to attend though.

Tuckshop – moving lunches back out to parade for the one day is a good idea. Kids get together for the one day supports the family values of the school – good to get them together. Supports the tuckshop. Menu will be changed to suit healthy menus. Newsletter – ask for suggestions from parents.

2014 Planning

Planning for classes for 2014 will begin shortly. If you have not completed an enrolment form for your prep students can you please attend to this matter urgently. If you are aware of other families who are considering a move to our beautiful school, please inform them of the need for completed enrolment applications urgently.

ALL tuckshop must be pre-ordered by Tuesday Afternoon. This includes the little munchies, drinks and zingers. Ice-blocks can now be ordered and will be delivered to their classes shortly after the hot food drop. If students have not pre-ordered their munchies, drinks and zingers, they will not be able to go to the tuckshop to buy them. Due to the Healthy eating plan we are no longer selling LOL’s, Nutella, and fruit & yoghurt frogs. Any suggestions or comments place into the blue P&C box, or attend a solving circles meeting.

Whole School Maths Day
As part of this semester’s work, we have proposed World of Maths Roadshow to visit our school on Thursday October 31. Students will gain insight into problem solving, working in teams, and also various maths principles which are part of their curriculum this term. It is a highly engaging session which will show the children that Maths can be fun!

The children will be broken up into 2 main groups (P/3 & 4/7) and participate in rotational activities. An invoice has been automatically generated and emailed to you with the option to pay via EFT. If you haven’t received this email or to prefer to pay cash, Please pay the $6.00 for this event by Monday 28 October.

**LDHS INDUCTION SESSIONS**

As part of the transition process to Lockyer District High School, students intending to attend Lockyer District High School in 2014 are invited to participate in two afternoon visits to the school, an evening disco and a full-day Orientation visit. During these visits students will:

- build relationships with LDHS staff and students;
- build relationships with other Year 7 students beginning at LDHS in 2014;
- become more familiar with the expectations of LDHS and specific subjects;
- become familiar with the physical environment; and
- have fun and learn through participating in various learning experiences.

**The afternoon visits to the school will occur 29th October and 26th November from 1:30pm – 3:10pm.** Students have been asked to preference what they would like to experience, with Drama, Science, PE, Computer Education, Library and Home Economics being offered.

It is very important that students meet the workplace health and safety requirements of each subject in order to participate fully. Students will need to be in full school uniform for the visits, bring a pencil case and notebook, and will also need the following materials for specific subjects:

**Science**:
- fully enclosed leather shoes,
- long hair tied back

**Physical Education**:
- hat and joggers (no skate or canvas shoes)

**Home Economics**:
- fully enclosed leather shoes,
- long hair tied back

**The superhero themed Transition Disco will be held at the LDHS Hall on Tuesday evening, 15th October from 6:30pm – 8:30pm.** Students are encouraged to come dressed as their favourite superhero. This disco is a great opportunity for students to develop relationships with Year 7 students from other primary schools, as well as LDHS staff and current Year 8 students. Admission into the disco is free; however, snacks and drinks will be available for purchase if students choose.

**On Monday, 9th December, they are invited to attend an Orientation Day at LDHS.** This day will begin at 8:50am and conclude at 3:10pm. An information session will also be held for parents on this morning from 9am – 10:00am. For parents who are unable to make this, a repeat of the session will be held that evening, from 5:30pm – 6:30pm.

While visiting LDHS, students are expected to abide by the Code of Conduct, follow all instructions provided by Lockyer staff and participate fully in the experiences.

Please ensure the permission and medical form, that has been handed out to you last term is completed and returned to the office at Lake Clarendon. If you need another copy of the permission letter please see the office.
Chappy’s Corner

On Tuesday night I went to Toowoomba to a disaster awareness seminar as a Red Cross volunteer.

There was a panel of experts who presented up to date information and who were available for questions from us as guests. Represented were Qld Police, Qld Fire and Rescue, Ambulance, Main Roads, a meteorologist from Oakey Air Base, and others. The meeting was both informative and interesting. The main point that was put forward was the need to be aware and prepared for any type of disaster that may occur.

Now that it is the hot and dry it was made clear that we need to be proactive when it comes to making our homes as safe as possible by keeping them cleared of trees, shrubs and rubbish. Have a plan for your family including pets. An emergency kit is also a good idea with important paperwork kept in a safe and easily accessible spot. There is a lot of information available, so do some research and stay safe.
