

Dear Laker Families,

Instead of a booklist for the **PREP 2024** class, we have organised to purchase all the supplies in a bulk order, we will invoice each student **\$120** to cover this cost.

The **\$120** Levy will cover all books, pencils, folders, stationery and text books that your child needs for the whole year. The cost of the School Library Bag is also included in this Levy.

This means every child will have the same types of books, pencils, stationery so we can get the best possible learning outcome. It also means you will not have to race around during the holidays collecting supplies for their first day.

**Prep Levy of \$120 per student is due to be paid by the end of week 3 next year Friday-9/2/2023.**

- You will be emailed an invoice within the first week back to school. The details to pay online, via our preferred method of payment (BPoint), is included on the invoice.
- If you require an extra School Library Bag, they can be purchased from the office for **\$3.50**.

*We are using the **QParent** app and would encourage you to read the attached brochure and download the app. We hope you find using this app both convenient and a time saver. This app will be used for all permission notices this year.*
